|--------------------------|---|
| <input type="checkbox"/> | 1. Application must be typed OR printed in black ink. |
| <input type="checkbox"/> | 2. DO NOT COMPLETE THIS APPLICATION IF YOU ARE ALREADY LICENSED TO PRACTICE GEOLOGY IN ANOTHER STATE AND HAVE PASSED BOTH SECTIONS OF THE ASBOG EXAMINATION. CALL THE BOARD OFFICE AT THE ABOVE NUMBER OR E-MAIL THE BOARD OFFICE TO REQUEST AN "APPLICATION FOR RECIPROCITY". |
| <input type="checkbox"/> | 3. Complete pages 1 - 4 of application along with the amplified record. |
| <input type="checkbox"/> | <p>4. <u>Education</u> information indicated on Page 2, Section 4 must be verified with an <i>original transcript</i> from your school showing completion of all geology related degrees and courses and the date your degree was conferred. If you have both an undergraduate and graduate degree, an <i>original transcript</i> must be submitted for both. The college/university must mail the <i>transcript</i> directly to the Board office.</p> <p><u>Foreign Graduates:</u> If you are a graduate from a school outside the United States, your educational credentials must be evaluated to determine the equivalency of your degree to a degree from an accredited U.S. school. A course-by-course evaluation must be submitted directly to the Board office. Contact: World Education Services, P. O. Box 745, Old Chelsea Station, New York, NY 10011, OR Educational Credential Evaluators, P. O. Box 92970, Milwaukee, WI 53202 OR any professional evaluation service.</p> <p><u>All Graduates:</u> If your school did NOT at the time you graduated, grant semester or quarter hours in geological science courses leading to a major in geology, your school must provide you a letter confirming same. The school must submit this letter directly to the Board office.</p> |
| <input type="checkbox"/> | <p>5. <u>Amplified Record of Experience</u> must be completed as per instructions on form. The original completed amplified record must be included with your application when submitted to the Board. DO NOT LIST PRE-GRADUATION EXPERIENCE. DO NOT LIST ANTICIPATED EXPERIENCE. An applicant is encouraged to use an immediate supervisor as a reference. References listed must NOT be related to applicants.</p> <p style="margin-left: 20px;">b. Must provide three (3)-licensed geologists as references who are able to evaluate the applicant's training or experience. In the case of work performed prior to February 16, 1993, a similarly qualified geologist who was not licensed (with the proper biography) may be submitted. The resume of any unlicensed reference must be attached to the "Reference Information" form when forwarded to the Board office.</p> <p style="margin-left: 20px;">c. Each reference must complete form and forward directly to the Board office.</p> |

<input type="checkbox"/>	7. In completing Section 8, <u>Criminal and Disciplinary Information</u> and you answer "YES" to any question, you must attach a full explanation on an 8-1/2" x 11" sheet of paper and submit a certified copy of all relevant court and/or legal documents. NOTE: Answering "YES" to any of the questions will not result in the automatic denial of your application.
<input type="checkbox"/>	8. <u>Social Security Act Certification</u> : Sign and date SS Certification (Section 9) on page 3 of the application.
<input type="checkbox"/>	9. Sign and date the <u>Certification Statement</u> (Section 11) on page 4 of application.
<input type="checkbox"/>	10. Maintain for your records a copy of your completed application prior to submission.
<input type="checkbox"/>	11. Forward application and fee of \$50.00 made payable to " <u>Commonwealth of Pennsylvania</u> " to address indicated on the previous instruction page. NOTE: Mail application " Certified-Return Receipt " to be assured it reached its intended destination. The Board staff tries to notify candidates within 4-6 weeks of the application deadline date if there is a problem with the application and within an additional 4 weeks if you've been approved to sit for the examination. It is the responsibility of the applicant to stay in touch with references, colleges/universities, to insure that the appropriate paperwork is being forwarded to the Board office by the application deadline date.
<input type="checkbox"/>	12. Form PA11 (<u>Examination Scheduling Form</u>) must be completed and forwarded to Professional Credential Services (PCS) once you receive approval from the Pennsylvania State Registration Board for Professional Engineers, Land Surveyors and Geologists to sit for the exam(s).

APPLICATION DEADLINES

The Board application and Form PA11 (exam scheduling form) must both be submitted by the application deadline. Applications must be POSTMARKED by the deadline indicated below:

November 15 for March Exams

June 15 for October Exams

A postmark is defined as the official mark that the United States Postal Service routinely uses to cancel your postage stamp. Postage meter dates from businesses are not considered a postmark.

Courier service packages must clearly indicate the date sent.

Upon approval, Examination Scheduling forms must be received by PCS by the registration deadline. Please contact ASBOG for the most up to date registration deadlines.

SUBMISSION OF AN APPLICATION DOES NOT GUARANTEE APPROVAL TO SIT FOR ANY EXAMINATION

REGISTRATION REQUIREMENTS:

An applicant for licensure as a professional geologist shall be of good moral character, meet the following education and experience requirements and pass an examination adopted by the Board.

(1) Graduation from an accredited institution with a major in geology, geophysics, geochemistry or engineering geology, with a minimum of 30 semester or 45 quarter hours in geology, geophysics, geochemistry, engineering geology or their subdivisions; OR completion of 30 semester or 45 quarter hours or an equivalent amount of geological education from institutions which do not grant semester or quarter hours in geological science courses leading to a major in geology, of which at least 24 semester hours or an equivalent amount are in third or fourth year undergraduate courses or graduate courses.

(2) Completion of at least 5 years of professional geological work, which shall include either a minimum of 3 years of professional geological work under the supervision of a licensed professional geologist or a minimum of 5 years in a responsible position in professional geological work. Professional geological work performed prior to February 16, 1993 will be considered if it was performed under the supervision of either a licensed professional geologist or a qualified geologist who was not licensed.

NOTE: "Professional geological work" is defined as the performance of geological service of work, including technical completeness reviews or inspections of unfinalized work product, that requires utilization, application and interpretation of fundamental and practical principles of the geological sciences in the practice of geology. The term does not include routine sampling, laboratory work or geological drafting.

Acceptable experience does NOT include work as a graduate teaching/research assistant or employment as a professor.

Graduate study (in proper field) MAY be credited as professional geological work at one year for a Master's Degree and 1 year for a Doctor's Degree, not exceeding two years. Experience credit is not given if no graduate degree has been received or if the graduate degree is not preceded by a bachelor's degree with a "major" as described in #1 above.

(3) Successful completion of the ASBOG examination (see below).

ASBOG EXAMINATION INFORMATION

The written examination given by the Pennsylvania Board is developed by the National Association of State Boards of Geology (ASBOG) and consists of two 4-hour sections; a Fundamentals of Geology (FG) exam and a Principles and Practice of Geology (PG) exam. Both examinations are "closed-book" and are administered on a single day during the spring and fall of each year. For each exam, the score is determined using a criterion-referenced approach. Passing scores are adjusted (scaled) based on the average difficulty level on each exam. Passing scores always reflect minimum competency. For each exam, a **scaled** score of 70 is the minimum passing score.

For additional information on the examination, please access the following web site:

Section 8

Criminal and Disciplinary Information

The following **must** be answered. If any of the answers is "YES", attach a full explanation on an 8-1/2" x 11" sheet of paper and submit a certified copy of all relevant court and/or legal documents. Answering "YES" to any of the following questions will not result in the automatic denial of your application.

YES

NO

A. Have you been convicted, found guilty or pleaded nolo contendere, or received probation without verdict or accelerated rehabilitative disposition (ARD) as to any felony or misdemeanor, including any drug law violations, or do you have any criminal charges pending and unresolved in any state or jurisdiction? You are not required to disclose any ARD or other criminal matter that has been expunged by order of a court.

B. Are there felony or misdemeanor charges (other than for minor traffic offenses) now pending against you in Pennsylvania or any other state?

C. Have you had disciplinary action instituted or taken against your license in any state or jurisdiction?

☐

Check here if action was taken in PA –
Certified copies NOT required.

D. Have you withdrawn an application for a license, had an application for a license denied or refused, or agreed not to reapply for a license in any state or jurisdiction?

Section 9

Social Security Act Certification

This licensing board is obligated to inform each applicant or licensee from whom it requests a Social Security number on any application or form that disclosing such number is mandatory in order for this licensing board to comply with the requirements of the federal Social Security Act pertaining to child support enforcement, as implemented in the Commonwealth of Pennsylvania at 23 Pa. C.S. § 4304.1(a). In order to enforce domestic support orders, at the request of the Commonwealth's Department of Public Welfare (DPW), this licensing board must provide DPW information prescribed by DPW about the licensee, including the Social Security number.

In the event that this licensing Board takes disciplinary action against an applicant or licensee, this board may disclose their Social Security number if applicant or licensee voluntarily agrees to the disclosure of this information to the appropriate professional association. This organization compiles information about individual applicants and licensees and transmits that information to other licensing boards in order to coordinate licensure and disciplinary activities between the individual states. If you do not voluntarily provide your Social Security number for this purpose, information about you will still be transmitted to this organization should this licensing board discipline you, but that information will not include your Social Security number.

I certify that I have read the above statement, understand the full intent and I do give this licensing board permission to report my Social Security number to the appropriate professional association or licensing board.

Section 10 Code of Ethics

I hereby subscribe to and agree to abide by the following Code of Ethics: (your signature below indicates affirmation of this code).

It shall be considered unprofessional and inconsistent with honorable and dignified bearing for any professional engineer, professional land surveyor or professional geologist:

1. To act for his client or employer in professional matters otherwise than as a faithful agent or trustee, or to accept any remuneration other than his stated recompense for services rendered.
2. To attempt to injure falsely or maliciously, directly or indirectly, the professional reputation, prospects or business of anyone.
3. To attempt to supplant another engineer, land surveyor, or geologist after definite steps have been taken toward his employment.
4. To compete with another engineer, land surveyor or geologist for employment by the use of unethical practices.
5. To review the work of another engineer, land surveyor or geologist for the same client, except with the knowledge of such engineer, land surveyor or geologist, or unless the connection of such engineer, land surveyor or geologist with the work has terminated.
6. To attempt to obtain or render technical services or assistance without fair and just compensation commensurate with the services rendered: Provided, however, the donation of such services to a civic, charitable, religious or eleemosynary organization shall not be deemed a violation.
7. To advertise in self-laudatory language, or in any other manner, derogatory to the dignity of the profession.
8. To attempt to practice in any field of engineering, land surveying or geology in which the registrant is not proficient.
9. To use or permit the use of his professional seal on work over which he was not in responsible charge.
10. To aid or abet any person in the practice of engineering, land surveying or geology not in accordance with the provisions of this act or prior laws.

Section 11 Certification Statement

By signing below, I verify that this form is in the original format as supplied by the Department of State and has not been altered or otherwise modified in any way. I am aware of the criminal penalties for tampering with public records or information pursuant to 18 Pa. C.S. §4911.

Additionally, I certify that the statements in this application are true and correct to the best of my knowledge, information and belief, and that I am of good moral character. I understand that any false statement made is subject to the penalties of 18 Pa. C.S. §4904 relating to unsworn falsification to authorities and may result in the suspension or revocation of my license or certificate.

Amplified Record of Geological Work Experience Requirements

To assist the Board with providing the most appropriate evaluation of your geological work experience, you must submit an “Amplified Record of Engineering Work Experience” form (amplified record), which has been **completed in its entirety** (names, addresses, complete employment dates- *NOT to “present”* etc...) and provides the Board with specific, thorough and detailed descriptions of your progressive professional experience in geology work that you obtained under the supervision of a licensed professional geologist (or similarly qualified geologist of a grade or character to fit him to assume responsible charge of the work involved in the practice of geology).

The new amplified record should clearly describe the five (5) or more years of professional geological work that you personally performed; including at least 3 years of professional geological work under the supervision of a licensed professional geologist and 2 years of geological experience in a responsible position in geological work or a minimum of 5 years in a responsible position in professional geological work or a minimum of 5 years of experience prior to 12/16/92 under the supervisor of a licensed PG or similarly qualified geologist. The amplified record should delineate your specific role in any geological activity; provide an overall description of the nature of geologic work you personally performed and specifically indicate how your geological skills and responsibilities have increased during your years of experience.

Your amplified record should demonstrate conclusively the application of the principles of geology, geophysics, geochemistry, engineering geology or their subdivisions to the actual practice of geology. Routine sampling, laboratory work and geological drafting are not professional geological work and will not be credited as acceptable experience. Likewise, work not requiring the input or participation of a professional geologist, or work that does not require the application of the principles of geology will not be credited as acceptable experience. Please note that the only work experience considered during any subsequent application review is the experience information provided on the most recent amplified record. A blank “Amplified Record of Work Experience” form can be found under the “Board forms” section of the “licensure information” page of the Board’s website (www.dos.state.pa.us/eng).

Additionally, please note that you should provide no more than one year of work experience per page of the amplified record; however, you may use as many pages as necessary to accurately describe each year of experience.

01 2013 REFERENCE INFORMATION FORM CHECKLIST

A. Applicant Check List:

1. Please review all Reference requirements in the Board's Regulations (§37.32 for Engineers, §37.37 for Geologists and §37.48 for Surveyors).

Applicants for the **PE exams, licensure**, or the **FE exam (based upon work experience)** must have at least 3 licensed Professional Engineers as references; however, **all work experience must be supported by a Reference Information Form submitted by the licensed professional engineer who supervised the work experience.**

Applicants for the **PS &/or PLS exams, licensure**, or the **FS exam (based upon work experience)** must have at least 3 licensed Professional Land Surveyors as references, the other 2 may be licensed professional engineers; however, **all work experience must be supported by a Reference Information Form submitted by the licensed professional land surveyor who supervised the work experience.**

Applicants for the **FG &/or PG exams or licensure** must provide references from 3 licensed Professional Geologists or unlicensed geologists who are qualified to evaluate the training and experience; however, **all work experience must be supported by a Reference Information Form submitted by the licensed professional geologist who supervised the work experience**

Applicant MAY NOT be related to **any** reference. References MUST have *personal knowledge of your experience* and collectively be able to attest to the entire amount of required experience.

Attach this checklist to each Reference Form provided to your references.

Reference Information Forms submitted by the applicant with the application will be REJECTED.

- ☐ 1. Fill in your name and address at the top of the Reference Information Form.
- ☐ 2. Write in what you are applying for i.e. FE, PE, FS, PS &/or PLS, FG &/or PG Exam(s), Type of licensure (if you have already passed ALL required exams).

B. Reference Check List:

The applicant is required to furnish evidence of qualification for registration for the category checked below. You are asked to attest to the applicant's character, ability, reputation and professional skills and attainments. Be assured that the Board will hold all information strictly confidential.

- ☐ 1. Provide a response for all questions on the Reference Information Form. Forms without all questions answered (and explanations provided, as necessary) will be REJECTED.
- ☐ 2. Sign and date at the bottom of Page 2.
- ☐ 3. **References without a professional license must attach a copy of their resume to this form before mailing.**
- ☐ 4. *** **Return the original completed Reference Information Form in a sealed envelope bearing your signature across the seal, to the appropriate location (as noted below):**

For FE/PE Exam Applicants, mail directly to: PCS, PO Box 198728, Nashville TN 37219

For all other applicants (Geologists (FG, PG), Surveyor (FS, PS, PLS Exam) or Non-Examination Engineer), mail directly to Engineer Board, PO Box 2649, Harrisburg, PA 17105

The fully completed Reference Information Form AND Amplified Record of Work Experience form MUST be returned directly to the appropriate office from the reference, as noted in item 4 (above).

DO NOT RETURN THE REFERENCE INFORMATION FORM TO THE APPLICANT
