Allied Health Professionals

\_\_\_\_\_

If you have ever held a Massachusetts license as an Athletic Trainer, please contact the Allied Health Board office at (617) 727-3071 for information about, and an application for reinstatement of your original license.

The Massachusetts Board of Allied Health Professionals has authorized Professional Credential Services (PCS) to process all of its applications for licensure of athletic trainers. **Applicants for an athletic trainer's license must submit all of their information, as indicated in these instructions, directly to PCS.** The Massachusetts Board of Allied Health Professions is the final authority with respect to issuance of the license.

## **INSTRUCTIONS**

The application must be typewritten or printed in blue or black ink. Include all components of the requested information, especially names and addresses of institutions. All documents must have original signatures. All questions on the application **must** be answered.

## LICENSURE REQUIREMENTS

- Graduation from a CAAHEP accredited (undergraduate or graduate) or NATA accredited (graduate)
   Athletic Training educational program. [\*Applicants who completed an internship program and were
   NATABOC certified or certificate eligible on or before January 1, 1998 are eligible for licensure as well.]
- Completion of course requirements as specified in the Board's regulations at 259 CMR 4.03.
- Certification by NATABOC examination [see exception above].
- Proof of current certification in CPR (current American Red Cross or American Heart Association certificate) and First Aid (current American Red Cross or equivalent certificate or advanced emergency care certificate). Graduates of an accredited CAATE program are not required to submit proof of first aid certification.
- Documentation of all academic and fieldwork requirements and date of graduation must also be submitted before a temporary or permanent license will be issued. Official transcripts must be sent from any and all schools where the applicant has completed the coursework required for licensure. Proof of current certification in CPR and First Aid must also be enclosed.

ALL APPLICANTS ARE ALLOWED TO PRACTICE **ONLY AFTER** A TEMPORARY OR PERMANENT LICENSE HAS BEEN ISSUED.

#### TEMPORARY LICENSE INFORMATION

Temporary licenses are issued to applicants who meet the requirements for licensure with the understanding that the applicant is taking the NEXT scheduled examination. Applicants who have already received a passing score on the National Athletic Trainers Association Board of Certification (NATABOC) examination are NOT eligible for temporary licenses. If an applicant for temporary licensure does not take the next scheduled examination or fails the examination, he/she may petition the Board to issue another temporary license. However, it will be considered a second temporary license, and the applicant must take the NEXT scheduled examination. If the applicant does not take the examination or fails the examination, he/she may request a third temporary license from the Board. First and second temporary licenses are required to practice under supervision.

A third temporary license is the FINAL temporary license. Temporary licensees working under their third temporary license must practice under DIRECT SUPERVISION.

## **TEMPORARY LICENSE INFORMATION (continued)**

If you have already taken the NATABOC examination and failed prior to filing an application with PCS, a temporary license may be issued. However, it will be considered a SECOND temporary license even though the applicant never applied for a first temporary license. With two failures on the examination, a temporary license may be issued. However, it will be considered a THIRD and FINAL temporary license.
