LICENSURE INFORMATION

Applicants for OT/OTA licensure must show proof of passing the NBCOT certification examination or proof of intent to take the examination. Official transcripts with degree conferral and documentation of all academic and fieldwork requirements must also be submitted before a temporary or permanent license will be issued. If a transcript is not available, the CERTIFICATION OF COMPLETION OF EDUCATIONAL REQUIREMENTS form must be submitted with the application.

ALL APPLICANTS ARE ALLOWED TO PRACTICE **ONLY AFTER** A TEMPORARY OR PERMANENT LICENSE HAS BEEN ISSUED.

Applicants who currently hold a license to practice occupational therapy in another state and wish to apply for licensure in Massachusetts, as well as those already certified by NBCOT, are NOT eligible for a temporary license to practice in Massachusetts.

To obtain more information on-line about OT/OTA licensure requirements, visit:

www.mass.gov/dpl/boards/ah or www.nbcot.org

TEMPORARY LICENSE INFORMATION

Temporary licenses are issued to applicants who meet the requirements for licensure with the understanding that the applicant is deemed eligible by NBCOT to schedule their examination. Applicants must request that NBCOT submit directly to PCS on their behalf a "Confirmation of Examination Registration" prior to a temporary license being issued. Temporary licensure is granted **ONLY** when NBCOT Confirmation of Examination Registration is received by PCS on behalf of the applicant.

Applicants who have already received a passing score on the NBCOT examination are NOT eligible for temporary licenses. If an applicant does not take the next scheduled examination or fails the examination, he/she may petition the Board to issue another temporary license. However, it will be considered a second temporary license, and the applicant must take the NEXT scheduled examination. If the applicant does not take the examination or fails the examination, he/she may request a third temporary license from the Board. First and second temporary licenses are required to practice under supervision. A third temporary license is the FINAL temporary license. Temporary licensees working under their third temporary license must practice under DIRECT SUPERVISION.

TEMPORARY LICENSE INFORMATION (continued)

If you have already taken the NBCOT examination and failed prior to filing an application with PCS, a temporary license may be issued. However, it will be considered a SECOND temporary license even though the applicant never applied for a first temporary license. With two failures on the examination, a temporary license may be issued. However, it will be considered a THIRD and FINAL temporary license.
