## Introduction

The *Candidate Handbook* is intended to help you to prepare and to understand the processes and procedures for applying for licensure and for scheduling your examination(s). The Delaware Board for Cosmetology and Barbering (the “Board”) is responsible for licensing and regulating the profession of Barbering in the State of Delaware. The Board has contracted with Professional Credential Services (“PCS”) to provide administrative examination services. The Board, through PCS, will exclusively use the National-Interstate Council of State Boards of Cosmetology (“NIC”) examinations. PCS first requires that candidates submit an on-line Examination and License Application (“Application”). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to PCS. The State Board will have the final authority to approve the issuance of a license.

## State Licensure Requirements

In order to receive a Barber license in the State of Delaware, you must meet the following requirements:

1. Be at least 16 years of age.
2. Successfully complete at least the 10<sup>th</sup> grade or equivalent.
3. Successfully complete a minimum of 1,500 classroom hours of continuous training for a complete course in Barbering; or
4. Successfully complete a 3,000 hour apprenticeship with a licensed Barber.
5. Successfully pass the NIC theory and practical examinations.

### Application Expiration Limit

**!** Pursuant to Delaware Law, you must successfully pass the theory and practical examination within two calendar years of your initial application date. If exams are not passed within this time, you must wait one year from the last exam date taken, and re-apply with PCS as a First Time candidate.

## Examination Fees

Fees are due at the time of your online application with PCS. We accept Visa, Master Card, and Discover. All fees are **non-refundable**.

## Temporary License

You may apply for a temporary license at the time you complete your online application or you may submit a “standalone” temporary permit request after you complete your online application.

1. Request at time of online application – temporary permit fee (\$40) will be collected along with license and examinations fees. You must forward a completed Supervisor Certification Form to PCS. This form may be uploaded onto your PCS Homepage.
2. Request after completing online application – temporary permit fee (\$40) can be paid online with PCS at <http://www.pcshq.com>. You must forward a completed Application for Temporary Permit Form to PCS. This form may be uploaded onto your PCS Homepage.

! If you change supervisors or shops either before or after eligibility, your temporary license is null and void. You are not required to repay if changing supervisors; however you must resubmit a Supervisor Certification Form to PCS listing updated information. You are required to repay the fee and submit the form if you are changing shops.

! You may apply for more than one permit; however a separate fee (\$40) is required for each request as well as the appropriate form (Application for Temporary Permit or Supervisor Certification Form).

## Frequently Asked Questions

### Specific Barber Practical Questions

- 1. Will the Barber examinations be updated like the Cosmetology, Esthetics and Nail Technology examinations to include a separate section for the set up?**
  - The Barber examinations are in the process of being updated. NIC is conducting a task analysis and workshops and once they are completed, updated information will be sent to all schools. NIC cannot change a task until the task analysis and workshops have been completed for each examination. Currently candidates are permitted 10 minutes to set up their work area. We expect it will be a separate section in the future. The tasks are not as explicit as the Cosmetology and Esthetics examinations but you can cross check to see similar tasks when preparing for your examination.
- 2. Can I use a mannequin for the shave and haircut?**
  - All services in the Barbers examination may be performed on a mannequin if permitted in your state. Please refer to page 29 of this Handbook. You must provide the necessary clamp required to secure a mannequin head to the table during the examination.
- 3. Why are pre-marked mannequins not allowed?**
  - NIC does not permit pre-marked mannequins because the mannequin heads have been pre-sectioned to indicate the sections by various colors and/or notches. Pre-marked mannequins are intended for teaching purposes but are not permitted during examinations.
- 4. How should I bring the steam towels for the shaving section of the examination?**
  - You can bring towels in a container and pour water from a thermos or they can bring towels that are pre-saturated but they must demonstrate wringing the towels.
- 5. Can I use a clipper attachment during the haircut section of the examination?**
  - Clipper guards or attachments are not permitted during the haircut section of the examination.
