INFORMATION AND INSTRUCTIONS

APPLICATION FOR LICENSURE AS A LICENSED PRACTICAL NURSE BY RECIPROCITY

Nurse Licensed in the United States or its Territories

Important Note: To practice nursing in Massachusetts, you must hold a valid, current license issued by the Massachusetts Board of Registration in Nursing (Board). Temporary licenses are not issued. Massachusetts is not a member of the Nurse Licensure Compact.

Nurse Licensure Requirements

[M.G.L. c. 112, s. 74, 76 and 76B, and Board regulations at 244 CMR 8.00]

1. Good moral character, as established by the Board.
2. Graduation from a Registered Nurse (RN) or Practical Nurse (PN) or Vocational Nurse (VN) education program approved by the Board of Nursing. Graduates of a nursing program whose language of instruction (classroom instruction and clinical practice) or textbooks or both was not in English must demonstrate English proficiency as established by the Board.
3. Former students in good standing at an approved professional nursing program who, at the time of withdrawal, had completed a program of study, theory, and clinical practice equivalent to that required for graduation from a Massachusetts approved practical nursing program, must have such program completion certified by the Board.
4. Achievement of a pass score on the National Council Licensure Examination (NCLEX-PN®) or the State Board Test Pool Examination (SBTPE) for Practical Nurses. Only PNs licensed in Puerto Rico by NCLEX-PN are eligible in Massachusetts for PN licensure by reciprocity.
5. Licensure as a Practical Nurse by examination in the United States (U.S.), District of Columbia (DC), or U.S. Territory (American Samoa, Guam, Northern Mariana Islands, and U.S. Virgin Islands only).
6. Payment of all required fees.

Carefully read the following information and application instructions prior to completing the enclosed application.

Practical/Vocational Nurses Licensed in Puerto Rico or Canada who are not eligible for Reciprocity

You must apply for the PN licensure by examination. First, complete and submit the *Certification of Graduation from a Board Approved Nursing Education Program Located Outside of the United States and the Territories of American Samoa, Guam, Northern Mariana Islands, and U.S. Virgin Islands* or *Certification of Graduation from a Board-Approved Nursing Education Program Located in Canada* as applicable to determine if you meet the education requirements for PM licensure. This certification application and the separate *Application for Initial Nursing Licensure by Examination Information and Instructions* are available online at www.pcshq.com. Do not use this application for reciprocity.

All other Non-US Educated Licensed Practical Nurses and Registered Nurses licensed in the US, DC, or US Territories except Puerto Rico must complete one of the following:

- CGFNS² Qualifying Examination Certificate with CGFNS emboss (RN licensure only); **or**
- VisaScreen Certificate with International Commission on Health Professions emboss (RN licensure only); **or**
- CGFNS Credentials Evaluation Services (CES) Report, including both the Nursing and Science Course-by-Course Report and License/Registration validation option, with CGFNS emboss (RN and PN licensure) or a Credential Evaluation Service (CES) Report posted at the CGFNS website for PCS access.

If you have written the SBTPE-PN or NCLEX-PN to obtain licensure for another state, U.S territory (other than Puerto Rico), or District of Columbia, you may use this application.

Instructions for Completing the PN Application Process for PNs/VNs Licensed in the U.S., D.C., or U.S. Territory (Except Puerto Rico)

Each application for initial licensure must be received by PCS, fully completed and legible, with required documentation, before it will be reviewed.

1. Complete the Massachusetts nurse licensure for Practical Nurse (PN) licensure by reciprocity application form as directed. Applicants pursuing both an RN and PN license must submit a separate application for each. **ONLY THE APPLICANT CAN COMPLETE THIS APPLICATION.**
2. If you answer “yes” to any questions related to the good moral character licensure requirement, consult the Board’s Licensure Policy 00-01: *Determination of Good Moral Character Compliance* and the *Determination of Good Moral Character Compliance Information Sheet* at www.mass.gov/dph/boards/rn before submitting application. The Board must determine your compliance with this requirement before your application can be processed.
3. Recent (within one year) 2” x 2” passport type color photo signed on the front bottom edge and stapled to application where indicated.
4. Official final transcripts must be submitted directly to PCS from the nursing education program you graduated in a sealed envelope to: **ATTN: MA Board of Registration in Nursing, C/O MA Nurse Coordinator, Professional Credential Services, P.O. Box 198788, Nashville, TN 37219.**
5. The CGFNS evaluation report of foreign nursing education credentials must be available to PCS.
6. If the applicant is currently or has ever been licensed as a nurse (LPN and/or RN and/or APRN) in any state or jurisdiction, verification of licensure status must be completed. PCS will verify your Massachusetts nurse license; for all others you must complete the steps below.
 - a. For all states which participate in the Nursys License Verification System:
 - Go to www.nursys.com and follow the instructions including paying the necessary fee. Nursys will post your verification online and it will remain available for 90 days.
 - b. For all states which do not participate in the NURSYS License Verification System:
 - Complete the authorization portion at the top of page 9 of the attached *Verification of Nurse Licensure (RN/LPN)* form verification;
 - Enclose the appropriate verification fee (*contact the Board of Nursing in that state for fee and instructions*); and
 - Submit the form directly to the Board of Nursing in that state (*that board will complete the form and must mail directly to PCS on your behalf*).
 - c. For nurses who practiced outside of the United States following licensure in any jurisdiction (U.S., D.C., or Territory) verification of licensure in the country in which you practiced is required.
7. If applicable, demonstrate English proficiency. Graduates of a nursing program whose language of instruction (classroom instruction and clinical practice) or textbooks was not in English must demonstrate English proficiency as established by the Board. Refer to the Board’s English Language Proficiency Policy at <http://www.mass.gov/eohhs/docs/dph/quality/boards/english-proficiency.pdf> for detailed information. Arrange for the exam service to submit the exam results directly to PCS (copies will **not** be accepted).
8. A licensure application will remain current for one (1) year from the date of receipt by Professional Credential Services (PCS) pending completion of all nurse licensure requirements
9. An application will expire if any requirements for nurse licensure are not met within one (1) year from the date of the receipt of the application by PCS on behalf of the Board. Fees are non-refundable and non-transferable.
10. Notify PCS in writing of any change in address occurring between the time of application submission and receipt of examination results. Include name, address, licensure type (RN/PN) and examination date with the new address. Telephone calls are *not* accepted for address changes. PCS cannot guarantee that an address change can be made before issuing examination results.
11. Former students in an approved RN program must be determined by the Board as meeting PN education requirements before applying for PN licensure. PN education requirements and the *Determination of Eligibility for Practical Nurse Reciprocity or to Write the NCLEX-PN by Former RN*

Student Withdrawn in Good Standing are available at www.mass.gov/dph/boards/rn [click on “Licensing”, then “Applications and Other Forms”]. Eligible applicants must attach a Board-issued NCLEX-PN Eligibility certificate to their application for PN licensure by reciprocity.

QUESTIONS: If you answer “yes” to any of the following questions, the Board must evaluate your compliance with the Good Moral Character (GMC) licensure requirement. This evaluation must be completed to determine your qualifications for initial licensure by reciprocity in Massachusetts. Prior to submitting this application, review the Board’s Licensure Policy 00-01: *Determination of Good Moral Character Compliance* and the *Determination of Good Moral Character Compliance Information Sheet*. Submit all required documentation to the Board as directed.

Answer all questions truthfully and accurately.		YES	NO
1.	Has any disciplinary action ever been taken against you by a professional and/or trade licensing/certification board located in the United States or any country/foreign jurisdiction, including removal from a long-term care nurse aide registry program?		
2.	Are you the subject of pending disciplinary action by a professional and/or trade licensing/certification board located in the United States or any country/foreign jurisdiction?		
3.	Have you ever applied for, and been denied, a professional and/or trade license/certification in the United States or any other country/foreign jurisdiction?		
4.	Have you ever surrendered or resigned a professional and/or trade license/certificate in the United States or any other country/foreign jurisdiction?		
5.	Have you ever been convicted of a felony or misdemeanor in the United States or any other country/foreign jurisdiction?		
6.	Are you the subject of any pending or open criminal case (s) or investigation(s), (including for any felony or misdemeanor) in a jurisdiction in the United States or any country/foreign jurisdiction?		

If you have answered “yes” to any of the above questions, the Board may deny your application for licensure. Denial of licensure by the Board is considered a disciplinary action and may have consequences before other professional licensing and certifying boards, including any licenses or certifications you may currently hold.

If you answered “yes” to question #6, **DO NOT** submit this application. In accordance with Licensure Policy 00-01: *Determination of Good Moral Character Compliance* the Board will deny licensure if the applicant has failed to fulfill all requirements imposed by a licensure/certification body or if all criminal matters have not been closed for at least one (1) year.
