RE: Multistate Pharmacy Jurisprudence Examination (MPJE®)

The Board of Registration in Pharmacy (Board) advises all applicants for licensure as a pharmacist in the Commonwealth of Massachusetts by examination, score transfer, reciprocity or reinstatement to review the reference sources listed below to prepare for the Multistate Pharmacy Jurisprudence Examination (MPJE). This reference document with related web site links may be accessed on the Board's web site (Rules & Regulations icon) at <http://www.mass.gov/dpl/boards/ph/index.htm>.

THE MULTISTATE PHARMACY JURISPRUDENCE EXAMINATION (MPJE)

The MPJE is a two-hour, computer-adaptive examination developed by the National Association of Boards of Pharmacy (NABP) for use by state boards of pharmacy. The MPJE is based in a nationally uniform content blueprint with questions that are tailored to assess the pharmacy jurisprudence requirements of individual states.

Utilizing the MPJE enables the boards of pharmacy to fulfill one aspect of their mission to safeguard the public health and welfare by allowing candidates to demonstrate their ability to meet the responsibilities of pharmacy practice.

The MPJE consists of 90 multiple-choice questions, 30 of which are designated as pre-test questions that do not affect the candidate's score. The examination content blueprint, which is the percentage of questions asked in each of the MPJE competency areas, is uniform for all candidates. For additional information regarding the MPJE Competency Statements (blueprint), consult the NAPLEX/MPJE Registration Bulletin available on-line at www.nabp.net.

The individual questions within each content area will differ from candidate to candidate, depending upon their ability level as estimated by the computer's technology. Therefore, candidate scores are not based solely on the number of correct answers, but on an estimate of the candidate's ability level based on the difficulty of the questions and the number of questions answered correctly.

The MPJE is administered Monday through Friday, excluding holidays, through the Thomson Prometric Testing Centers (800-796-9860) (800-529-5390 TTD) (www.prometric.com). If you experience difficulty scheduling an appointment, contact Thomson Prometric Candidate Care at (800-853-6769).
