Introduction

The *Candidate Information Bulletin (CIB)* is intended to help you to prepare and to understand the processes and procedures for applying for licensure and for scheduling your examination(s). The Virginia Board for Barbers and Cosmetology (the Board) is responsible for licensing and regulating the profession of Permanent Cosmetic Tattooing in the Commonwealth of Virginia. The Board has contracted with Professional Credential Services (PCS) to provide administrative examination services. The Board, through PCS, will exclusively use the National-Interstate Council of State Boards of Cosmetology (NIC) examinations. PCS first requires that candidates create an account and then submit an online Examination and License Application (Application). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to PCS. The Board will have the final authority to approve the issuance of a license.

State Licensure Requirements

In order to receive a Permanent Cosmetic Tattooing license in the Commonwealth of Virginia, you must pass the NIC <u>Theory</u> examination within one year of the date of your first examination. You must also meet **ONE** of the following requirements:

1. Completion of a permanent cosmetic tattooing training program in a Virginia licensed permanent cosmetic tattooing school.

Required Documentation: Upload to your PCS account a completed Training & Experience Verification Form.

- Completion of a 90-hour permanent cosmetic tattooing training program that is substantially equivalent to the Virginia program. *Required Documentation: Upload to your PCS account your diploma or official school transcript indicating successful completion of 90 hours of training. Copies will not be accepted.*
- 3. Completion of substantially equivalent permanent cosmetic tattooing training (consisting of <u>less</u> than 90 hours of training) <u>and</u> five hours of health education (including, but not limited to blood borne disease, sterilization and aseptic techniques related to tattooing and first aid and CPR). Both training and education must be obtained outside the Commonwealth of Virginia, but within the United States and its territories. *Required Documentation: Upload to your PCS account a certificate, diploma or other documentation verifying successful completion of the training and documentation verifying successful completion of the required health education. Copies will not be accepted.*
- 4. Three years of permanent cosmetic tattooing work experience within the previous five years <u>and</u> five hours of health education (including, but not limited to blood borne disease, sterilization and aseptic techniques related to body-piercing and first aid and CPR). Both work experience and education must be obtained outside the Commonwealth of Virginia, but within the United States and its territories. *Required Documentation: Upload to your PCS account a completed Training & Experience Verification Form and documentation verifying successful completion of required health education.*

Professional Credential Services, Inc.

5. Previously licensed in Virginia by examination and past the reinstatement period (two years or more since your previous license expired). *Required Documentation: Verification from the Virginia Board for Barbers and Cosmetology.*

Examination Fees

Please carefully review this CIB and Virginia's state laws, rules and regulations prior to starting the application and paying fees.

Examination Type	Examination Fees

Fees may be paid online with a credit card (MasterCard, Visa or Discover) or call 1-888-822-3272 in order to submit your fees via money order or certified check by requesting an invoice.

Refund Policy

- Candidates who are determined to be ineligible or who are determined to be eligible for licensure without testing will be issued a refund, less the application processing fee of \$10.
- Candidates who withdraw from the theory examination within five days prior to the scheduled day of testing will be issued a refund, less the application processing fee of \$10.
- Candidates who do not show for any scheduled examination *forfeit all fees paid*, unless an accident or medical emergency occurs (which will require official documentation prior to a refund being issued).
- All refunds are issued to the cardholder and credit card under which payment was initially made.

First Time Candidates

Application Requirements

Once an online application has been completed with PCS, the following items must be uploaded to your account with PCS:

- A current 2" x 2" passport <u>color</u> photo taken within the last six months to reflect your current appearance. It must be sized so that your head is approximately 1 inch from the bottom of the chin to the top of the head. It must be taken in front of a plain, white background and be a fullface view, directly facing the camera with a neutral facial expression. Selfies are <u>not</u> accepted. If these requirements are not met, you will receive notification that you need to submit a new photo and your application will remain incomplete until the photo meets the requirements.
- Examination Site Conduct Agreement Form: Please select a practical location and sign the Informed Consent and Waiver Agreement section. Once completed, please upload this Agreement to your account. This form can be found under Virginia's Forms section online at www.pcshq.com.

* All documents that require a notary seal may be <u>uploaded</u> to your PCS account as long as the form is notarized with an ink stamp and must be in color. If a raised seal is used by the notary public, then this document must be mailed to PCS.

! If you are <u>not</u> approved because of an incomplete application, discrepancies, missing documentation, including signatures, you will be contacted by PCS and your application will be pending until you make the necessary and requested corrections. If you mail any documentation separate and apart from the application to PCS at the address located on page 3 of this CIB, please make note of this on your home page within your PCS account.

! Should any document listed above be under a different name than the name provided on your application, legal documentation of name change (i.e. marriage certificate, divorce decree, petition for name change) must be either mailed to PCS, Attn: VA Coordinator at PCS' address provided on page 3 of this CIB or up-loaded to your account.

Suspected security breaches during either the theory or practical test administrations, such as an act of impersonation, creating a disturbance, giving or receiving unauthorized information or aiding other candidates, attempting to remove test information by any means, possessing prohibited materials or sharing supplies may be sufficient cause to dismiss you from the examination site or to invalidate or cancel your scores. Suspected breaches may be identified by observation or suspicion by the test center staff, or may be evidenced by subsequent statistical analysis of examination materials. PCS reserves the right to investigate each incident of misconduct and your actions will be reported directly to the Board and to NIC. The Board will make all final decisions on examination score invalidations or cancellations.

No visitors, guests or children are allowed in the test center.

All test questions are the express copyrighted property of NIC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part. Once you pass the theory examination, you will receive a *Notice of Completion*.

State Score Requirements

Once all required examinations have been passed, a final review of your application will be performed in order to ensure that all eligibility documents are complete before your materials are sent to the Virginia Department of Professional and Occupational Regulation (DPOR) for the issuance of a permanent license.

In Virginia, you must take and pass the theory examination within one year of initial examination date. Failure to accomplish this will result in your having to start over as a first-time candidate. In addition, if after application is made and you take longer than one year to attempt to schedule any examination, you will forfeit all fees and be required to apply as a first-time candidate, even if your application was approved the first time you applied.
