Application Process

Introduction

The Candidate Information Bulletin (CIB) is intended to help you to prepare and to understand the processes and procedures for applying for licensure and for scheduling your examination(s). The Virginia Board for Barbers and Cosmetology (the Board) is responsible for licensing and regulating the profession of Tattooing in the Commonwealth of Virginia. The Board has contracted with Professional Credential Services (PCS) to provide administrative examination services. The Board, through PCS, will exclusively use the National-Interstate Council of State Boards of Cosmetology (NIC) examinations. PCS first requires that candidates create an account and then submit an online Examination and License Application (Application). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to PCS. The Board will have the final authority to approve the issuance of a license.

State Licensure Requirements

In order to receive a Tattooing license in the Commonwealth of Virginia, you must pass the NIC <u>Theory</u> examination within one year of the date of your first examination. You must also meet **ONE** of the following requirements:

- 1. Completion of an approved tattooing apprenticeship program in a Virginia licensed tattoo parlor. Required Documentation: Completed Apprenticeship Completion Form, which you can download from PCS' website, complete as directed and upload to your PCS account.
- Completion of a tattooing training program in a Virginia licensed school of tattooing.
 Required Documentation: Upload to your PCS account your diploma or official school transcript indicating successful completion of the training program.
- 3. Completion of a substantially equivalent tattoo training or apprenticeship program (consisting of a minimum of 1500 hours) and five hours of board approved health education (including, but not limited to blood borne disease, sterilization and aseptic techniques related to tattooing and first aid and CPR). Both training and education must be obtained outside the Commonwealth of Virginia, but within the United States and its territories. Required Documentation: Upload to your PCS account your diploma or official school transcript indicating successful completion of the 1500 hours of training or apprenticeship program or written verification from the Licensing Board in the state where the 1500 hours of training were received and documentation verifying successful completion of the required health education. The original form verifying apprenticeship completion must be mailed directly to PCS. Copies will not be accepted.
- 4. Completion of a substantially equivalent tattoo training or apprenticeship program (consisting of less than 1500 hours of training) and five hours of board approved health education (including, but not limited to blood borne disease, sterilization and aseptic techniques related to tattooing and first aid and CPR). Both training and education must be obtained outside the Commonwealth of Virginia, but within the United States and its territories. Required Documentation: Upload to your PCS account a certificate, diploma or other documentation verifying successful completion of the training or apprenticeship and documentation verifying

- successful completion of the required health education. The original form verifying apprenticeship completion must be mailed directly to PCS. Copies will not be accepted.
- 5. Three years of tattooing work experience within the previous five years <u>and</u> five hours of board approved health education (including, but not limited to blood borne disease, sterilization and aseptic techniques related to body-piercing and first aid and CPR). Both work experience and education must be obtained outside the Commonwealth of Virginia, but within the United States and its territories. Required Documentation: Upload to your PCS account a completed Training & Experience Verification Form and documentation verifying successful completion of required health education.
- 6. Previously licensed in Virginia by examination and past the reinstatement period (two years or more since your previous license expired). *Required Documentation: Verification from the Virginia Board for Barbers and Cosmetology.*

Suspected security breaches during either the theory or practical test administrations, such as an act of impersonation, creating a disturbance, giving or receiving unauthorized information or aiding other candidates, attempting to remove test information by any means, possessing prohibited materials or sharing supplies may be sufficient cause to dismiss you from the examination site or to invalidate or cancel your scores. Suspected breaches may be identified by observation or suspicion by the test center staff, or may be evidenced by subsequent statistical analysis of examination materials. PCS reserves the right to investigate each incident of misconduct and your actions will be reported directly to the Board and to NIC. The Board will make all final decisions on examination score invalidations or cancellations.

No visitors, guests or children are allowed in the test center.

All test questions are the express copyrighted property of NIC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part. Once you pass the theory examination, you will receive a *Notice of Completion*.
